

Questionnaire for Contractors/Visitors/Suppliers

With the change in Covid-19 management strategy, from elimination to long-term management, Daiken NZ have reviewed the controls we have in place, to ensure they continue to provide the highest level of Covid-19 protection that can reasonably be achieved.

An outcome of this review is that Daiken have implemented a Covid-19 Vaccination Policy that applies to all employees, contractors, suppliers and visitors entering our site.

From 24 January 2022, access to our site will be restricted to people who are fully vaccinated against Covid-19

If you are planning to enter The Daiken NZ site you will be required to inform your Daiken NZ contact of your vaccination status.

Visitors, Contractors and Suppliers entering the Daiken NZ site will be required to show documentary proof of vaccination on request.

We regret that entry to our site may be denied if proof of vaccination cannot be shown to our reasonable satisfaction. This is a key step in keeping our people and business protected from the risk of Covid-19.

You acknowledge your agreement to abide by the following practices and procedures during the COVID-19 pandemic:

1. I am fully vaccinated.
2. I have attached evidence of my full vaccination status
3. I will complete this questionnaire and submit it to my Daiken contact **and/or** Mel.Bailey@daiken-nz.com
4. I will follow Contact Tracing requirements every time I enter/exit the site. This will be via the QR Scanning process or the Contact Tracing Register in the Reception Foyer/Contact Tracing Container.
5. I will observe regular and repeated personal hand hygiene.
6. I will observe correct cough/sneeze etiquette.
7. I will clean any shared equipment upon commencement and completion of use.
8. I will carry a face mask for use where greater than 1m spacing cannot be maintained.

Declaration - please sign

I _____ (name)

declare these answers are true and correct.
